Note: The Marijuana Regulation and Taxation Act, signed into law on March 31, 2021, legalized the possession and use of marijuana by adult individuals in New York State; however, policies prohibiting the use, possession, or sale of marijuana or other drugs on SUNY campuses remain in place under federal requirements of the Drug Free Schools and Communities Act and the Drug Free Workplace Act. Therefore, any reported incidents of use, possession (in any form), cultivation, or sale of cannabis on campus were no longer documented as crimes after March 31, 2021, and thus were not counted toward referrals for discipline.
